

The 41st Annual Meeting of JSSX: Information on Excursion (JAXA tour)

Date: November 18th, 2026 (Wednesday)

1:30 p.m. Meet at the Entrance Hall of the Tsukuba International Congress Center

1:45 p.m. Depart from the Tsukuba International Congress Center by bus

2:00–3:30 p.m. JAXA tour

3:30 p.m. Meet at the JAXA parking lot—Bus departs

3:45 p.m. Arrive back at the Tsukuba International Congress Center

Destination: Japan Aerospace Exploration Agency (JAXA)

- Visitors may tour the “Space Dome” exhibition hall and use the gift shop, Rocket Plaza, and rest areas.
- The “Space Dome” exhibition hall showcases the history and current activities of JAXA—the organization driving Japan’s space development—organized by field. Visitors can view life-size models of satellites, actual rocket engines, and a life-size model of the “Kibo” Japanese Experiment Module up close.
- Explanatory brochures about the exhibits and audio guides in Japanese and English are available. If you have a smartphone, you can listen to the audio guides by scanning the QR codes posted at each exhibit area.

Fee: Free (registered/invited participants only)

Capacity: 45 people (1 bus)

How to apply:

- Please fill out the following Google form: <https://forms.gle/LnpKrXDQP5vMdELh8>
- If you are unable to use Google Form, please fill out the attached Excel file with the required information and submit your application via email (007248mikusa@mediceo-gp.com).

Remarks:

- Entry will be closed when the capacity is reached.
- Entry will be accepted during the tournament only if there is space available.
- Several event staff members will be accompanying the bus.
- For more information about JAXA, please visit the website below.
